The report was examined and sent back to the State Government in September, 1991 for obtaining concurrence of the State Governments of Madhya Pradesh and Bihar for submergence of 253 hectares and 267 hectares of land in their territories respectively.

(d) The clearance of the project depends on how soon the state Government of Uttar Pradesh obtains concurrence of the Governments of Madhya Pradesh and Bihar for submergence of land in their territories, forest clearance and establishment of techno-economic viability of the scheme.
